

Everything Your Guests Will Remember, Printed.

Snaptrend brings studio-grade portraits to your reception. This one-page guide covers the experiences, what your venue needs, and where the booth fits in your timeline, so there is nothing left to wonder about.

MOST REQUESTED · STARTS AT \$2,000

Glam Booth

Studio lighting, soft retouching, and prints designed around your monogram, wedding date, and palette. Black and white or color, printed on 4x6 glossy with instant digital delivery by text or QR code.

THE DETAILS

What Is Included

- A professional attendant for the full rental
- Bespoke print design matched to your stationery
- Every guest gets a print to take home
- Online gallery of every photo after the wedding

VENUE REQUIREMENTS

Space & Power

- A 10 x 10 ft footprint is ideal, 8 x 8 ft minimum
- One standard 120V outlet within 25 ft
- Indoor or covered placement, level ground
- We arrive 60 to 90 minutes early for setup

FULLY INSURED

Venue Ready

We carry full liability coverage and send certificates of insurance directly to your venue before the wedding. Loading, elevators, and setup windows are coordinated with your planner and venue team, not you.

TIMELINE

Where the Booth Fits

1

Cocktail hour. Guests find the booth early, lines stay short, and everyone is photographed while fresh.

2

Open dancing. The booth peaks after dinner. Groups return two and three times once the energy is up.

3

Last hour. Prints become favors on the way out. No favor table required.
